

BDMHA partners with Cobblestone Medicine and Rehab
for Concussion Testing and Care

Hello hockey families....please review and consider having your players baseline tested for concussion care and therapy. We have proudly partnered with Dr. Tyler Fletcher and he is offering our players severely discounted rates for baseline testing. Let's keep our kids safe and healthy!!

Fall Baseline Concussion Testing!!!

It's that time of the year again! Athletes are back in the swing of things and injuries are starting to occur including ***Concussions!***

**REDUCED RATE CONCUSSION TESTING:
\$20.00**

(ONE-TIME FEE, all additional computer testing costs are included)

If Injury happens, rehab/therapy fees are not included

Dr. Tyler Fletcher, Owner of Cobblestone Medicine and Rehab Centre and his team are offering their services to ALL hockey players. The clinic specializes in Sports Rehab/Injury and Concussion testing. They recommend to come into the clinic for player(s) 10 year(s) of age and older in our efforts to try and eliminate, prevent, educate, and get athletes back to the ice as soon and as safe as possible with concussions! We recommend concussion testing for ALL athletes playing any sport especially hockey. If any players have any questions at all – feel free to

contact Dr. Tyler Fletcher and he will try and answer all your injury questions.

We commonly treat ALL aches and pains including Concussion rehab, knee injury, hip injury, low back aches, shoulder problems and neck injury!

Our Benefits to YOU!

- **Exclusive Reduced Concussion testing (One-time fee)**
- **20% ALL Braces and Sports Product in clinic**
- **Free 15mins Consults with Physiotherapy and Chiropractic professionals**
- **Our clinic is affiliated with Shift Concussion Management – Leaders In Concussion Management**
- **Fast Clearance Notes to play (mandatory for return)***
- **Guaranteed to be seen within 24 hours!**
